Allergy Advice

We understand how important it is for everyone to be able to enjoy food together, to share the eating experience equally with other guests and for everyone to be well catered for.

Miss Ellie's respects all food choices be they for Religious, ethical, environmental or health reasons.

Working from a plant based and vegetarian menu with plenty of gluten free options we can cater for guests with many different dietary requirements.

Please note that whilst we do cater for Gluten Free diets we are not a registered gluten free kitchen and whilst every precaution is taken to eliminate any cross contamination food is prepared in an environment where gluten is present. Upon ordering gluten free food we will discuss this with you in detail.

Gluten free guests will incur a surcharge of £5 to cover the high cost of gluten free ingredients if they require a separate menu.

Our kitchen environment uses NUTS, SEEDS, GLUTEN and SESAME.
